What is Fair Trade?

Fair Trade is an economic partnership based on dialogue, transparency, and respect. This system of exchange seeks to create a just and sustainable international trading system.

Who is the Fair Trade Federation?

The Fair Trade Federation (FTF) is the trade association that strengthens and promotes North American organizations fully committed to Fair Trade. Federation members dedicate their businesses to creating positive change for the poorest of the poor and to adhering to nine Principles in all of their transactions:

- *Creating Opportunities for Economically and Socially Marginalized Producers*
- *Developing Transparent and Accountable Relationships*
- *Building Capacity*
- *Promoting Fair Trade*
- *Paying Promptly and Fairly*
- *Supporting Safe and Empowering Working Conditions*
- *Ensuring the Rights of Children*
- *Cultivating Environmental Stewardship*
- *Respecting Cultural Identity*
