The Code of Practice states, “members share processes and techniques used by suppliers/artisans/producer groups to create their products, as well as producers’ stories, *when accompanied by informed consent. Members understand that consent is fluid, and regularly check in with producer groups to ensure their safety and understanding of where any individual images or story elements are being used.*”

*Does your business and/or the business you source from *currently* obtain consent from individual suppliers/artisans/producer partners to share any of their personal information before it is shared?

Yes No

*If yes, describe. If not, explain why.

*Does your business and/or the businesses you source from explain the different methods and media by which an artisan/producer’s information could be shared, the potential reach it may have, and the amount of time for which that information may be publicly available, when obtaining consent to share personal stories, images, etc.? If yes, describe how. If not, explain why.

*After obtaining consent initially, does your business ever check in with producer groups to ensure their safety and understanding of where any individual images or story elements are being used? Describe.

*Describe the way(s) in which your business plans to update and improve methods of obtaining and maintaining consent from suppliers/artisans/producers *within the next year*.
